

Kikkoman Foods

Palermo's Pizza

Kikkoman Foods, Inc., a global leader in soy sauce production, will be the first tenant in Jefferson County's newly created Food and Beverage Innovation Campus. The \$560 million project will create approximately 60 high-paying jobs and occupy 100 acres of the campus. *(Announced April 2024)*

Palermo's Pizza opened a production facility in Jefferson, adding approximately 180 jobs. The company added specialized equipment to create additional production capacity with two pizza topping lines. The plant produces more than 50 million frozen pizzas per year. *(Announced September 2023)*

Nestlé Purina PetCare is expanding its production facility in Jefferson. The \$195 million project will bring an additional 100 jobs and add 35,000 square feet to the facility. *(Announced April 2024)*
